Useable Marijuana Harvest Lot Sampling and Analysis Request Form

Requests for sampling and testing are processed once Cascadia Labs has received a completed and signed "Sampling and Analysis Request Form". All fields in this form are required to be completed.

Client (Business) Name		Address of Sampling Location	
Submit Results to Authority	<input type="checkbox"/> OLCC Licensee <input type="checkbox"/> OHA Registrant	Total Number of Batches in Harvest Lot	
OLCC or OHA Authorization Number		Total Number of Packages in Harvest Lot	
Harvest Lot ID <small>One Harvest Lot per Form.</small>		Intention of Sampling and Analysis <small>If retesting due to failed test, include copy of original results.</small>	<input type="checkbox"/> Compliance <input type="checkbox"/> R&D <input type="checkbox"/> Retest
Container Description(s): Jars, totes, Bags....			

Using the checkboxes below, indicate how you would like samples grouped together for analysis. For guidelines on how packages of useable marijuana can be combined for analysis see the "OLCC Sampling and Testing Metric Guide". To obtain a dry basis potency value, both "THC & CBD" and "Moisture Content" must be selected.

Analysis	Analysis Grouping
Pesticides: OAR 333-007-0400	<input type="checkbox"/> - *Batch <input type="checkbox"/> - Package <input type="checkbox"/> - Strain <input type="checkbox"/> - Other (Select groups in Harvest Lot Table)
THC & CBD: OAR 333-007-0430	<input type="checkbox"/> - *Strain <input type="checkbox"/> - Package <input type="checkbox"/> - Other (Select groups in Harvest Lot Table)
Water Activity: OAR 333-007-0420	<input type="checkbox"/> - *Batch <input type="checkbox"/> - Package <input type="checkbox"/> - Strain <input type="checkbox"/> - Other (Select groups in Harvest Lot Table)
Moisture Content: OAR 333-007-0420	<input type="checkbox"/> - *Batch <input type="checkbox"/> - Package <input type="checkbox"/> - Strain <input type="checkbox"/> - Other (Select groups in Harvest Lot Table)
Terpenes: Cascadia SOP3009	<input type="checkbox"/> - Package <input type="checkbox"/> - Strain <input type="checkbox"/> - Other (Select groups in Harvest Lot Table)
Extended Cannabinoids	<input type="checkbox"/> - Package <input type="checkbox"/> - Strain <input type="checkbox"/> - Other (Select groups in Harvest Lot Table)

** Indicate selection for minimum compliance testing for useable marijuana intended for retail sale to recreational consumers.*

Tests Requested may be **subcontracted** to an ORELAP accredited Laboratory where needed: **Yes:** **No:**

Turn Around Time: 3 Days Rush 5- 10 Days Standard
